

# Antenna Direct

Audiovisual Solutions for Your New Home

Available 7 Days

## ANTENNA INSTALLATIONS

We provide all audiovisual solutions for your home and stock a wide range of high quality antennas to suit your area, whether you are after a budget orientated antenna or high quality Australian made.

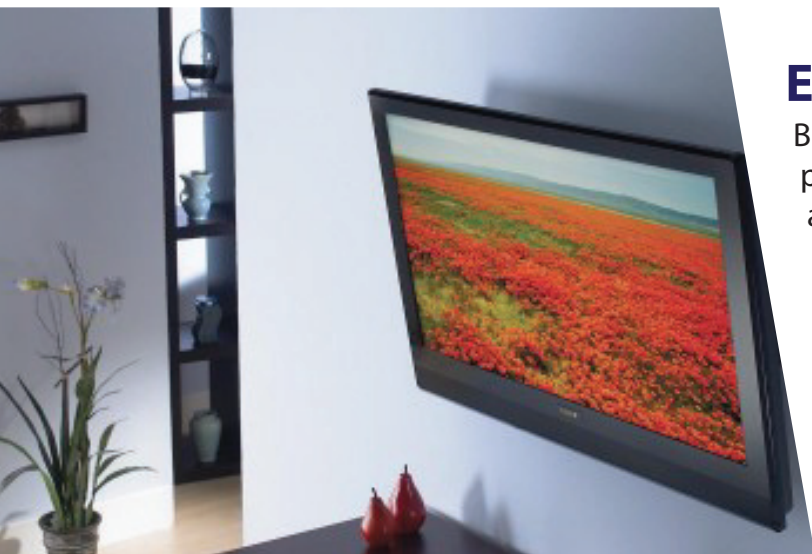

Quality is priority. We ensure that every installation is done to the best standards using the highest quality materials, ensuring you trouble free TV reception. Owner-operated and run, who you speak to on the phone will do your work.

## TV WALL MOUNTING

Wall mount your TV for a cleaner look and free up space with our range of options. You can choose a flat wall mount or a swivel arm mount. We can also conceal all your cables for a neat look.

We can set up all your home theatre equipment, DVD players, amplifier and speakers, and connect all your equipment to work together.

## EXTRA POINTS

Bring TV reception to all your rooms by adding extra points across your whole house, even outdoors. We also supply cables of any length you require for your TV.

We have solutions that allow you to distribute your Foxtel picture to every TV in your house. We can also add Data/Network points to extra rooms, bringing internet access across your entire home.
