## Self pack removals

How secure are my belongings  
in a self pack moving  
container?

When you are finished loading  
your container, you padlock it  
and keep the key. No-one else  
will need to open the container  
during transit, so you know  
everything will be just as you  
packed it.

Can my moving container  
be stored in Sydney?

Yes. One of the benefits of self  
pack removals is the ease of  
storage. We can hold your  
container in Sydney for short  
or long term storage.

What can I pack in a self  
pack shipping container?

The great thing with self pack  
removals is that you can pack  
just about anything! (Just leave  
out the explosives, gas bottles  
and flammables)

## How long does it take to move to Sydney?

To move a 20ft shipping container to Sydney takes from:
