

EMPIRE

DESIGN & DRAFTING

www.empiredesigns.com.au

CAPABILITY STATEMENT

We are a well established, locally owned Building Design & Architectural Drafting company.

- Specialised in residential, commercial design & drafting
- New home concepts including multi-unit developments
- Renovations of existing properties
- Granny flats, decks, carports & bathrooms

Projects completed or under construction for the following reputable Brisbane builders.

- Topmarc Constructions – New homes & renovations
- Martin O’Gorman Builders – Multi-unit developments, Renovations & Decks
- Urban Scene Construction – Renovations & decks
- ABCO Building – Renovations & decks
- Jarotech Constructions - Renovations & decks
- HDL Pty Ltd - New homes & renovations

Empire Design & Drafting is well positioned in today’s current financial climate to offer a quality & prompt service without the high overheads of other companies. We offer a personal touch to the design process which can be a daunting prospect for some clients.

With many years of experience in the industry and a passion for design we are confident of being able to turn client’s visions into reality.
