glass tubes replace the traditional look of candles while at the same time creating an ambient vibe. This piece comes in a black or gold finish and its flexibility is one of the major reasons it can be found worldwide in café's bars, restaurants, clubs and museums.

REPLICA FOSCARINI APLOMB PENDANT

DIMENSIONS
BODY HEIGHT:
35cm
BODY LENGTH:
16.5cm

MATERIAL:
Resin

**AVAILABLE
COLOURS:**
Black, Brown,
Grey & White

This piece by Foscarini is a small suspension pendant that is designed to create a direct and focused light onto an underlying surface. Made from resin the surface is visibly non uniform in places which is part of the expressive language of modern architecture that Foscarini is known for.

The Aplomb lamp can be clustered together or also effective as a single unit in areas where a feature is required. It has a elegant polished yet unrefined finish which is unique and interesting.
