

# Privately Funded Housing Stimulus

## set to launch !

Building Selection Centre launches “Industry Stimulus Initiative” for Homemakers at special Weekend Event.

### Home Buyers Stimulus Show

We'll be holding a special weekend event at Building Selection Centres to launch our new website and the Stimulus Initiative.

### Learn how to get up to \$11,000 in...

Stimulus Points on House and Land purchases (up to \$18,000 for First Home Buyers) through our Stimulus Advisors.

### Use the Stimulus to...

help fund the building or renovation your home... landscaping your garden or even paying off your home loan.

Stimulus Points from Property Owners, Builders, Finance Advisors and others, are held in your account and can be spent with any participating business involved in the “Stimulus Initiative”. You can even use them to help pay your telephone and power bills, council rates, water fees and health insurance premiums.

### All you need to do to...

start saving “Stimulus Points” is apply for an AdvantageCard at [www.buildingselection.com](http://www.buildingselection.com) or collect a card from the Building Selection Centres in Hobart or Launceston.

This will also become your access card to the Centres and the Kiosk Information terminals throughout the Centres and allow you to gather information you want with a scan of the card.

### Ditch your card!!!

In the very near future the AdvantageCard will be available as an app for Android or i-phones, so you won't even need a card in your wallet to earn Points from local, national and online businesses.

### Learn how to use the Stimulus to sell your property without the drastic discounting!

Stimulus Advisors and Real Estate Consultants will be on hand to show you how to list and sell a property using the Stimulus Package.

Make your property more attractive to purchasers by joining with Finance providers and others as a contributor to the package. Give buyers a real reason to buy NOW and let's get our economy moving again.
