Formica Tightform Laminates are marketed and distributed by Laminex Group Pty Limited ABN 98 004 093 092, trading as The Laminex Group. The colours and finishes of the products featured within the imagery in this brochure are as close to Formica Tightform Laminates as photographic lighting and our printing processes allow. Different camera angles, although not designed to be misleading, can sometimes distort actual size and distances. Formica Tightform Laminates are no different than any other material in that darker colours will always show scratches and superficial wear and tear more readily than lighter colours. Formica Tightform Laminates should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface.
