Inspire your space

**Laminex® Alfresco Compact Laminate** is the revolution outdoor living has been waiting for. Made from durable Compact Laminate specifically designed for exterior areas, its outstanding resilience and sophisticated style open up even more outdoor design possibilities. Whether it's a commercial or domestic application, the superior moisture, wear and weather resistance of Laminex Alfresco Compact Laminate makes it ideal for a myriad of non-structural outdoor solutions such as alfresco kitchens, BBQ areas, outdoor furniture, table tops and decorative panelling. Its distinctive black core not only eliminates the need for edge treatment but also serves as a striking design feature. With 9 contemporary decors to choose from including woodgrains and solids, the range is available in 3050mm x 1300mm sheets and two thicknesses. The 13mm product is suited to horizontal and vertical applications, including benchtops and decorative screens. The 6mm thickness is ideal as a stylish framed door insert. A true exterior surface solution, Laminex Alfresco Compact Laminate is the low maintenance alternative to wood and other outdoor products as no lacquering or protectants are required for upkeep. And with its 7 year limited warranty,\* Laminex Alfresco Compact Laminate will inspire you to enjoy the great outdoors even more.

## APPLICATIONS

Laminex Alfresco is suitable for non-structural outdoor furniture such as cabinetry, benchtops, table tops, BBQ areas and alfresco kitchens, as well as decorative panelling and screens.

Laminex Alfresco Compact Laminate is NOT to be used in structural applications, including exterior wall cladding, building facades, balustrades, railings or swimming pool surrounds. Laminex Alfresco Compact Laminate must not be used as a fireplace surround as it is a combustible material. As with most surfaces exposed to outdoor conditions over prolonged time, some change in colour and appearance of the surface of Laminex Alfresco Compact Laminate may occur. A copy of the Laminex Alfresco Compact Laminate Technical Datasheet is available from The Laminex Group or visit [laminex.com.au](http://laminex.com.au).

## INSTALLATION

When installing Laminex Alfresco Compact Laminate in the vicinity of gas burners or gas barbecues, ensure that minimum clearances are maintained between the gas appliance and Laminex Alfresco Compact Laminate in accordance with AS/NZS 5601:2010 Gas Installation Code. For clearance requirements around a gas or electrical cooking appliance and a combustible surface, always adhere to the appliance manufacturer's installation requirements\*. Further installation details are available in the Laminex Alfresco Compact Laminate Technical Datasheet.
